  - A. **If so, what is the citation to the federal law or rule?** Not Applicable
7. **What are the reasons for proposing the rule?**

BWC initially adopted rule OAC 4123-6-21.3 effective September 1, 2011 to establish an outpatient medication formulary. A formulary is a list of drugs approved for reimbursement when prescribed to treat conditions allowed in the claim. The

formulary is maintained, and updated periodically, by BWC with input from the BWC Pharmacy & Therapeutics committee (P&T Committee) pursuant to its responsibilities as set forth in OAC 4123-6-21.2.

**8. Summarize the rule's content, and if this is an amended rule, also summarize the rule's changes.**

This rule establishes the outpatient medication formulary list of drugs approved for reimbursement when prescribed to treat conditions allowed in a claim filed by an injured worker. The proposed changes include adding, removing, and changing coverage for certain medications; detailed in the Business Impact Analysis, attached to this rule package.

**9. Does the rule incorporate material by reference? No**

**10. If the rule incorporates material by reference and the agency claims the material is exempt pursuant to R.C. 121.75, please explain the basis for the exemption and how an individual can find the referenced material.**

**11. If revising or re-filing the rule, please indicate the changes made in the revised or re-filed version of the rule.**

*Not Applicable*

## **II. Fiscal Analysis**

**12. Please estimate the increase / decrease in the agency's revenues or expenditures in the current biennium due to this rule.**

This will have no impact on revenues or expenditures.

0.00

Not Applicable.

**13. What are the estimated costs of compliance for all persons and/or organizations directly affected by the rule?**

The prescriber and pharmacy business communities are the only two business communities involved with medication prescribing and dispensing and affected by this rule. There should be no negative financial impact on the prescriber community as any necessary changes to the injured worker's drug regimen should be done in the

context of routine office visits. Any prescriptions that result from the changes in the drug regimen would continue to be processed by a pharmacy.

14. **Does the rule increase local government costs? (If yes, you must complete an RSFA Part B). No**
15. **Does the rule regulate environmental protection? (If yes, you must complete an RSFA Part C). No**
16. **If the rule imposes a regulation fee, explain how the fee directly relates to your agency's cost in regulating the individual or business.**

Not Applicable.
