II. Fiscal Analysis

- 12. Please estimate the increase / decrease in the agency's revenues or expenditures in the current biennium due to this rule.**

This will have no impact on revenues or expenditures.

\$0.00

This will have no impact on revenues or expenditures.

- 13. What are the estimated costs of compliance for all persons and/or organizations directly affected by the rule?**

The specific requirements of this code are requirements upon an employer for the protection of such employer's employees and no others and apply to all construction industry subject to the Workers' Compensation Act. If an injured worker suffers an injury as a result of an employer's violation of a safety rule, the Industrial Commission can add from 15% to 50% to the injured worker's compensation, which is billed to the employer as a penalty or fine. The expected adverse impact from this regulation varies from case to case, therefore, it is not possible to quantify the exact impact of any factors. If an injured worker's claim results from an employer's violation of one of these rules, the employer must pay an additional penalty to the injured worker.

14. Does the rule increase local government costs? (If yes, you must complete an RSFA Part B). No
15. Does the rule regulate environmental protection? (If yes, you must complete an RSFA Part C). No
16. If the rule imposes a regulation fee, explain how the fee directly relates to your agency's cost in regulating the individual or business.

Not Applicable
