5. Statute(s) the rule, as filed, amplifies or implements: **R.C.4549.62**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

The rule is filed based on a R.C. 119.032 five-year rule review. Proposed new language has been moved from existing Rule 4501:1-11-04 because it addresses the application process, the subject of this rule. Other language changes are to clarify use of the term "vehicle identification number" and its acronym "VIN" through consistent use of the term "VIN." This is to enhance recognition of the term "VIN" and is consistent with the recommendations of the American Association of Motor Vehicle Administrators (AAMVA).

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

The rule provides application requirements and procedures for obtaining a replacement VIN plate. New language in paragraph (E) has been moved from existing Rule 4501:1-11-04 and provides that the registrar shall send the Ohio certificate of title or other lawful evidence of ownership approved by the registrar to the appropriate clerk of courts and notify the owner that the title has been sent to the clerk of courts. Other changes clarify use of the term "vehicle identification number" and its acronym "VIN" via consistent use of "VIN" as recommended by the AAMVA.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:
