6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

Without this regulation, the Board would not be able to ensure the validation of licensure prior to the sale of dangerous drugs to prevent illegal sales and diversion.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE,

then summarize the content of the rule:

Rule requires verification of licensure prior to selling a dangerous drug. It is changed to allow for wholesaler and terminal distributors to validate licensure within the e-licensing system prior to conducting a sale rather than requesting a copy of license itself. Includes federal language permitting transfer of drugs among common ownership. This rule reduces regulatory burden by only requiring the check in the e-licensing system (rather than obtaining documentation from the seller or buyer) prior to selling or purchasing of a dangerous drug.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This rule references the Ohio Revised Code and the Ohio Administrative Code. The O.R.C. and O.A.C. are generally available in libraries and on the internet to persons who reasonably can be expected to be affected by the rule.

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

Ohio Revised Code Sections 121.75 and 121.76 exempts these texts from inclusion in this filing.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

Not Applicable.

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.
