7. **Summarize the rule's content, and if this is an amended rule, also summarize the rule's changes.**

Establishes the activities certified pharmacy technicians may perform. Amended to include stocking automated drug dispensing units and adds certain requirements for verbal refill authorizations

8. **Does the rule incorporate material by reference?** Yes

9. **If the rule incorporates material by reference and the agency claims the material is exempt pursuant to R.C. 121.71 to 121.76, please explain the basis for the exemption and how an individual can find the referenced material.**
This rule references the United States Pharmacopeia (U.S.P.), which is a generally accepted industry standard for compounding drugs. The U.S.P. is generally available in libraries and on the internet to persons who reasonably can be expected to be affected by the rule. U.S.P. is also a required reference for compounding pharmacies.

10. **If revising or re-filing the rule, please indicate the changes made in the revised or re-filed version of the rule.**

Not Applicable

II. Fiscal Analysis

11. **As a result of this proposed rule, please estimate the increase / decrease in revenues or expenditures affecting this agency, or the state generally, in the current biennium or future years. If the proposed rule is likely to have a different fiscal effect in future years, please describe the expected difference and operation.**

This will have no impact on revenues or expenditures.
