**Requirements for admission to the examination for a  
psychologist license.****RULE SUMMARY**

1. Is the rule being filed consistent with the requirements of the RC 119.032 review? **No**

2. Are you proposing this rule as a result of recent legislation? **No**

3. Statute prescribing the procedure in accordance with the agency is required to adopt the rule: **119.03**

4. Statute(s) authorizing agency to adopt the rule: **4732.06**

5. Statute(s) the rule, as filed, amplifies or implements: **4732.06, 4732.10, 4732.15**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

When the Psychology Board wrote rules in response to Am HB503, errors were made in two places in this rule--in paragraphs (I)(2)(c)(i) and (I)(2)(c)(ii). Specifically, because the new training rules effective January 8, 2010 allow certain license candidates to get credit for a 2,000 pre-doctoral internship, all that is needed to complete the 3,600 hour sequence of training is 1,600 hours. By inadvertently keeping the "minimum eighteen hundred hours" in this rule, even for the new law candidates, it proves to be confusing and requires these minor corrections. All licensure candidates require a minimum of 3,600 hours of qualifying training, and these amendments will serve to clarify that "new law" candidates may only need

1600 hours in addition to the internship.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

These changes involve striking "eighteen" in two places and replacing these with "sixteen" in an effort to accurately describe the hours required for those candidates who are credited with a 2,000 hour internship.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

*This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.*

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

*This response left blank because filer specified online that the rule does not incorporate a text or other material by reference.*

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

*Not Applicable.*

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so:

*Not Applicable.*

12. 119.032 Rule Review Date: **7/29/2013**

(If the rule is not exempt and you answered NO to question No. 1, provide the

scheduled review date. If you answered YES to No. 1, the review date for this rule is the filing date.)

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.
