**Requirements for foreign educated applicants.**

- (A) A "foreign-educated applicant" is a person whose education in physical therapy was obtained in a program not accredited by the commission on accreditation of physical therapy education.
- (B) All foreign-educated applicants must show an educational background deemed by the physical therapy section to be reasonably equivalent to the requirements established in section 4755.42 of the Revised Code, division (A)(4) of section 4755.45 of the Revised Code, and paragraph (A) of rule 4755-23-02 of the Administrative Code.
- (C) All foreign-educated applicants must submit to the section an evaluation of education credentials prepared by a professional education evaluating service approved by the section.
- (1) Evaluations of the applicant's foreign education coursework content and required semester credits shall be completed utilizing the appropriate coursework evaluation tool adopted by the federation of state boards of physical therapy. The appropriate coursework evaluation tool means the latest edition coursework evaluation tool that applies to the period when the applicant was initially licensed as a physical therapist in the initial country or state of license.
- (2) The following professional education evaluating services are approved by the section to conduct and submit an evaluation of education credentials to the section:
- (a) Foreign credentialing commission on physical therapy, inc. (FCCPT).
- (b) International consultants of Delaware, inc. (ICD).
- (c) International education research foundation, inc. (IERF).
- (3) A list of approved professional education evaluating services shall also be available on the board's website (<http://otptat.ohio.gov>).
- (D) To be considered reasonably equivalent to the requirements established in rule 4755-23-02 of the Administrative Code, the applicant's foreign education must contain evidence of the content and distribution of coursework identified in the appropriate coursework evaluation tool identified in paragraph (C)(1) of this rule.
- ~~(1) Humanities;~~

~~(2) Physical sciences, including two one-semester courses in chemistry with laboratory and two one-semester courses in physics with laboratory;~~

~~(3) Biological sciences;~~

~~(4) Social sciences;~~

~~(5) Behavioral sciences; and~~

~~(6) Mathematics.~~

~~(E) The distribution of the coursework listed in paragraphs (D)(1) to (D)(6) of this rule shall be reasonably equivalent to the distribution of the same coursework completed in a commission on accreditation of physical therapy education accredited physical therapist program in Ohio.~~

~~(F)~~(E) The general education requirements established in rule 4755-23-02 of the Administrative Code may be satisfied by credits earned through successful completion of college level examination program (CLEP) or advanced placement (AP) credits.

(1) CLEP or AP credits are limited to a total of fifteen academic semester credit hours or the equivalent, with a maximum of six academic semester credit hours in any one of the general education categories listed on the coursework evaluation tool identified in paragraph (C)(1) of this rule ~~in paragraphs (D)(1) to (D)(6) of this rule.~~

(2) CLEP or AP credits shall not be used to meet the professional education requirements established in rule 4755-23-02 of the Administrative Code.

~~(G)~~(F) Evaluations prepared pursuant to paragraph (C) of this rule reflect only the findings and conclusions of the evaluating service and shall not be binding upon the physical therapy section. In accordance with division (B) of section 4755.45 of the Revised Code, if the physical therapy section determines that an applicant's education is not reasonably equivalent to the educational requirements that were in force for license in Ohio on the date of the applicant's initial license or registration in another state or foreign country, the physical therapy section shall send written notice via certified mail stating the reasons why the applicant's education is not reasonably equivalent.

~~(H)~~(G) All foreign-educated applicants shall demonstrate that the individual met the requirements to practice physical therapy in the country of education, including passage of the country's physical therapy examination and evidence of eligible licensure in that country. Applicants seeking to waive the requirements of this

paragraph shall submit a written waiver request.

~~(H)~~(H) All foreign-educated applicants shall demonstrate a working knowledge of English by obtaining:

(1) Scores of at least:

- (a) 4.5 on the test of written English (TWE);
