A list of the approved services that utilize this tool will be listed on the Board's website. The rule also increases the number of CLEP or AP credits that an applicant may use from 9 to 15 credits. The rule also clarifies that individuals whose native language is English and who graduated from physical therapy programs in Australia, Canada (except Quebec), Ireland, New Zealand, or the United Kingdom are not required to demonstrate a working knowledge of English. Finally, the rule states that applicants who submit a notarized copy of either a Type I Comprehensive Credentials Evaluation prepared by the Foreign Credential Commission on Physical Therapy or a notarized copy of a Visascreen Certificate prepared by the International Commission on Healthcare Professions automatically meets the foreign license and working knowledge of English requirements specified in paragraphs (H) and (I) of the rule.
