

4755-9-01

Continuing Education.

(A) Pursuant to division (C) of section 4755.05 of the Revised Code, no person shall qualify for licensure renewal as an occupational therapist or occupational therapy assistant unless the licensee has shown to the satisfaction of the occupational therapy section that the licensee has completed twenty contact hours of continuing education activities within the two year renewal cycle.

(1) Out of cycle, one year renewals will be pro-rated accordingly.

(2) Any person who obtains an initial license by examination in Ohio pursuant to paragraph (C) of rule 4755-3-01 of the Administrative Code within twelve months of graduation from an entry level occupational therapy/occupational therapy assistant program is not required to obtain any continuing education units for the first renewal.

(3) A "contact hour" is one hour spent in a continuing education activity meeting the requirements of this rule. Contact hours exclude refreshment breaks, receptions, social gatherings, and meals that do not include an acceptable activity.

(4) All continuing education activities must be earned in the two year period immediately preceding the thirtieth day of June of the year in which licensure renewal is required. Contact hours may not be carried over from one renewal period to the next.

(5) Licensees shall complete at least one contact hour of ethics education per renewal cycle. The one hour ethics requirement may be fulfilled by any of the following:

(a) Attendance at a professional workshop, seminar, and/or conference at which at least one hour is spent addressing professional ethics;

(b) Informal independent study;

(c) Self-study;

(d) Distance learning;

(e) Attendance at a presentation of the occupational therapy section; or

(f) Passage of the Ohio occupational therapy laws and rules examination in compliance with paragraph (B)(11) of this rule.

(B) Acceptable continuing education activities may include:

(1) Attending professional workshops, seminars, and/or conferences. There is no limit of contact hours in this category.

- (a) Credit is obtained by attending presentations that have either been sponsored or approved by the occupational therapy section, the American occupational therapy association (AOTA), the Ohio occupational therapy association, offered by an AOTA approved provider, or which meets the following criteria:
- (i) It contributes directly to professional competency;
 - (ii) It relates directly to the clinical practice, management, or education of occupational therapy practitioners; and
 - (iii) It is conducted by individuals who have demonstrated expertise in the subject matter of the program.
- (b) Prior approval from the section is not required if paragraphs (B)(1)(a)(i) to (B)(1)(a)(iii) of this rule have been met.
- (c) Proof of content shall be demonstrated by the original workshop or conference brochure, agenda, notes, materials given to participants during the presentations.
- (d) Copies of continuing education unit certificates or other original documents indicating credits awarded may also be used as verification of participation. If no other form of verification is available, licensees may obtain from the board verification of participation forms, which are to be signed by each presenter at the conclusion of each presentation. If a presentation is made by a panel of individuals, only one signature is required.
- (2) Presentations of occupational therapy programs, workshops, or seminars. The presentation must be to health or education professionals and/or students, be at least one contact hour in length and relate to the clinical practice, management, or education of occupational therapy practitioners. Two contact hours will be awarded for each hour of presentation. A maximum of eight contact hours may be earned in this category. Proof of presentation is the workshop, conference, or seminar contract, or the brochure, agenda, or other printed materials describing content and audience. Continuing education credit will not be awarded for subsequent presentations of the same material.
- (3) Publications of books, articles, or films related to clinical practice, management, or education of occupational therapy. A maximum of five contact hours for each published article, ten contact hours for a published book, five contact hours for a chapter in a book, and ten contact hours for a film may be earned in these categories. Co-authorship is acceptable. The item must be published within the current renewal cycle. Proof of completion is the published article, title page of the book, or film.

- (4) Undergraduate or graduate courses. A maximum of ten contact hours may be earned per completed course. Courses must be related to the management, practice, or education of occupational therapy. Proof of completion is an official college or university transcript or grade slips. Proof of content is the catalog description. There is no limit of contact hours in this category.
- (5) Supervision of fieldwork. Continuing education credit can be earned by supervising level II students. Two contact hours per student supervision may be earned, with a maximum of eight contact hours per renewal cycle. Proof of student supervision will be a certificate of supervision from the student's school or the student's completed evaluation form.
- (6) Self-study. Formal study packages, such as printed text, videotapes, or CD-ROM, related to the clinical practice, management, or education of occupational therapy are acceptable. There is no limit of contact hours in this category. Proof of completion is the certificate of completion and a copy of the post test results.
- (7) Distance learning. Credit for distance learning requires that there be opportunity for interaction with the program presenter and that the content is related to the clinical practice, management, or education of occupational therapy. The agenda and certificate of participation are required to verify completion. There is no limit of contact hours in this category.
- (8) Apprenticeships. Supervised clinical experience aimed at developing specialized skills in occupational therapy is acceptable. Five contact hours shall be credited for each forty hour week. There is no limit to the amount of contact hours that can be earned under this category. Proof of completion is a signed letter from the clinical supervisor describing length and type of education experiences and an evaluation of the occupational therapist's or occupational therapy assistant's performance.
- Apprenticeships must be served under the supervision of a licensed occupational therapist whose license is in good standing and who has demonstrated expertise in the practice of occupational therapy or other individuals who have demonstrated expertise in specialized techniques as approved by the occupational therapy section.
- (9) Research projects. A maximum of ten contact hours may be earned in this category. The hours will be granted only for completed, published or unpublished research projects related to the theory, clinical practice, management, or education of occupational therapy. Proof of completion is the published article or unpublished manuscript.
- (10) Informal independent study. One contact hour will be given for reading an evidence based book chapter or research journal article relating to the clinical

practice, management, or education of occupational therapy practitioners and identifying how the information presented can be applied to one's own practice, management, or education situation. Proof of completion is a copy of the article's title page and the first page, and a written report summarizing the information and outlining how it can be applied by the licensee. One hour will be awarded for each chapter/article. A maximum of four contact hours may be earned in this category.

(11) Laws and rules examination. One contact hour may be earned for completing and passing the Ohio occupational therapy/occupational therapy assistant laws and rules examination. Proof of completion is the graded examination. This contact hour may be used to fulfill the ethics requirement established in paragraph (A)(5) of this rule.

(C) Forms for reporting continuing education activities shall be issued to licensees along with renewal applications not later than the thirtieth day of April of each year in which licensure renewal is required. Licensees are to complete the required information on the reporting form and return the form to the board.

(1) A license shall not be renewed unless a report of acceptable continuing education activities that meets the required minimum number of contact hours is received by the section no later than the thirtieth day of June of the renewal year.

(2) Unless chosen for the random audit established in paragraph (D) of this rule, a licensee shall only submit the continuing education reporting form.

(D) The occupational therapy section shall conduct a random audit of the continuing education records of not less than five percent of the licensees no later than the thirtieth day of June of the renewal year.

(1) Licensees chosen randomly shall submit to the board by the thirtieth day of June copies of all records and documentation of the continuing education activities listed on the continuing education reporting form.

(2) Failure to comply to an audit request will result in the commencement of disciplinary action.

(E) In the event any licensee fails to submit a report of their continuing education to the section by the thirtieth day of June of any renewal year, the application shall be treated as an incomplete application and the license will expire.
