10. If revising or re-filing the rule, please indicate the changes made in the revised or re-filed version of the rule.

Not Applicable

II. Fiscal Analysis

11. As a result of this proposed rule, please estimate the increase / decrease in revenues or expenditures affecting this agency, or the state generally, in the current biennium or future years. If the proposed rule is likely to have a different fiscal effect in future years, please describe the expected difference and operation.

This will have no impact on revenues or expenditures.

\$0.00

Not Applicable.

12. What are the estimated costs of compliance for all persons and/or organizations directly affected by the rule?

Costs of compliance for stakeholders could include the cost of instructional materials, instructor time, and equipment as the program deems necessary. OAC Chapter 4765-7 does not require any EMS approved institution to provide specific continuing education training; the CE training is provided at the discretion of the approved institution. The costs incurred by the EMS approved institutions will vary depending on the affiliations of the institution, the CE training being offered, and increases in administrative costs. Institutions adding additional CE training may see cost increases based on the need to add additional instructional, administrative, and equipment resources.
