

4901:2-21-07

Certificate of public convenience and necessity.

- (A) Following receipt of a completed registration application from a carrier, the staff shall issue a certificate of public convenience and necessity, provided that:
- (1) The carrier does not have an unsatisfactory safety rating rate from the U.S. department of transportation; and
 - (2) The carrier has properly filed proof of public liability security with the staff, pursuant to Chapter 4901:2-13 of the Administrative Code.
- (B) If the applicant has an unsatisfactory safety rating or has not filed proof of public liability security, the applicant may file a petition with the commission for the issuance of the certificate. The commission shall grant such petition for good cause shown.
