5101:2-12-05 **Drop-in centers.**

(A) "Drop-in child day-care center" means a child day-care center that provides child day care for children on a temporary, irregular basis. "Temporary, irregular basis" means that no child is in attendance for more than ten hours per month.

(B) Rules 5101:2-12-01 to 5101:2-12-72 of the Administrative Code shall constitute the minimum requirements for all drop-in child day-care centers, except that:

- (1) Rules 5101:2-12-51 of the Administrative Code notwithstanding, no medication, food supplement, modified diet, or fluoride supplement, shall be administered in the drop-in center.
- (2) Paragraph (A) of rule 5101:2-12-42 of the Administrative Code notwithstanding, the drop-in center shall provide at least one cot for the care of an ill child as prescribed in rule 5101:2-12-50 of the Administrative Code, and a sufficient number of cots for any toddler, preschoolchild, or schoolchild who naps or sleeps at the center.
- (3) Rule 5101:2-12-58 of the Administrative Code notwithstanding, the drop-in center shall not be required to secure a medical statement for each child.
- (4) Rule 5101:2-12-50 of the Administrative Code notwithstanding, the drop-in center shall not provide care for an ill child. A child who is suspected of having a communicable disease or who is not feeling well enough to participate in activities shall not be admitted to the drop-in center or shall be discharged as soon as possible after detection.
- (5) Paragraph (A)(2)(a) of rule 5101:2-12-59 of the Administrative Code notwithstanding, the drop-in center shall maintain on file at the center for at least one year for each child attending the center a written health record which shall include, but is not limited to:
 - (a) A list of all allergies and any special precautions or treatment indicated for these allergies.
 - (b) A list of any medications currently being administered to the child.

- (c) A list of any chronic physical problems and any history of hospitalization.
 - (d) A list of any diseases the child has had.
 - (e) An emergency transportation authorization as required by rule 5101:2-12-49 of the Administrative Code.
- (C) In accordance with rule 5101:2-12-23 of the Administrative Code, a drop-in child day-care center which does not prepare or serve food shall not be required to secure a food service license or a food service license exemption.
