

TO BE RESCINDED

5101:2-48-12

Completion of the homestudy report.

- (A) The homestudy shall be a joint decision making assessment and process involving the applicant and the public children services agency (PCSA), private child placing agency (PCPA), or private noncustodial agency (PNA) which is designed to determine whether adoption and/or foster care is a viable option for the applicant and the characteristics of children the applicant(s) can best parent. An assessor's assessment of the adoptive parent(s) shall include a minimum of one face to face home visit with each member of the household who is currently residing in the home.
- (B) Prior to recommending an adoptive home for approval and upon request, ODJFS shall provide a public children services agency (PCSA), private child placing agency (PCPA) or private non custodial agency (PNA) a summary report of a search of the central registry to assist the agency in completing its evaluation of an applicant seeking approval as an adoptive parent, pursuant to rules 5101:2-34-38.1 and 5101:2-33-22 of the Administrative Code. The summary report of the registry shall include all other adult members of the adoptive applicants household. The search shall result in a summary report to be placed in the applicant's file. Prior to the adoptive placement of each adoptive child in the adoptive applicant(s) home, the summary report shall be considered as a tool to help determine the appropriateness of the placement. If the applicant is a foster parent for the adoptive child, the summary used as a foster parent is sufficient, unless it is deemed necessary by the assessor to complete another search. The central registry search is required until such a time that the uniform statewide automated child welfare information system is fully implemented pursuant to section 5101.13 of the Revised Code.
- (1) The summary report shall include, for each applicant and each adult household member, a chronological list of abuse and neglect determinations or allegations in which the person was involved where a PCSA has done one of the following:
- (a) Determined that abuse or neglect occurred;
 - (b) Initiated an investigation, and the investigation is ongoing;
 - (c) Initiated an investigation, and the agency was unable to determine whether abuse or neglect occurred.
- (2) The summary report shall not contain any of the following:

- (a) An abuse and neglect determination of which a person seeking to become a foster caregiver of a child is subject and in regards to which a public children services agency determined that abuse or neglect did not occur;
 - (b) Information or reports the dissemination of which is prohibited by, or interferes with eligibility under, the "Child Abuse Prevention and Treatment Act," 88 Stat. 4 (1974), 42 U.S.C. 5101 et seq., as amended;
 - (c) The name of the person who or entity that made, or participated in the making of, the report of abuse or neglect.
- (3) If the search indicates there are no allegations or reports of involvement in child abuse or neglect investigations for any applicant(s) or adult household members, the summary report shall indicate that there is no record involving any applicant or adult household member in an allegation or report of involvement in a child abuse or neglect investigation reported.
- (C) The PCSA, if different from the PCSA in the county in which the adoptive applicant(s) resides, the PCPA or PNA shall provide a letter containing relevant information about the adoptive applicant(s) to the PCSA in the county in which the adoptive applicant resides when the adoptive homestudy is initiated. Relevant information includes, but is not limited to all of the following:
 - (1) Past or present functioning of the prospective adoptive parent,
 - (2) Rule violations involving foster and pre-adoptive child,
 - (3) Third party investigations,
 - (4) Information relating to previous adoption applications, or
 - (5) Previous disruptions from the prospective adoptive family home.
- (D) A multiple children/large family assessment shall be completed for any person seeking to adopt a child when a family has a total of five or more children residing in the home, including foster children and children in kinship care; or if the family will have a total of five or more children who will reside in the home upon the adoptive placement of a child. The large family assessment shall be completed on the JFS 01530 "Multiple Children/Large Family Assessment" (12/2006) form and attached to the JFS 01673 "Assessment for Child Placement (Homestudy)" (rev. 08/2005), if applicable.

- (E) Agencies shall respect the right of the applicant(s) to select an agency for the purpose of completing the homestudy assessment. Once the homestudy has been initiated, the PCSA, PCPA or PNA shall maintain involvement with the applicant(s) through to completion of the homestudy assessment, unless the applicant requests a transfer or fails to follow through with timely submission of homestudy documents. Agencies shall cooperate with an applicant(s) who has requested a transfer to another agency pursuant to rule 5101:2-48-19 of the Administrative Code.
- (F) No PCSA, PCPA or PNA shall consider race, color, or national origin of a family for whom that agency is conducting a homestudy in determining whether a homestudy is approved or disapproved. No PCSA, PCPA, or PNA shall consider the race, color or national origin of the child in whom a family has indicated an interest in adopting in determining whether to approve or disapprove the family's homestudy.
- (G) No PCSA, PCPA or PNA shall discriminate in approving or disapproving a homestudy on the basis of disability in violation of Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. 794 and of Title II of the Americans with Disabilities Act of 1990, 42 U.S.C. 1201.
- (H) No PCSA, PCPA or PNA shall complete a homestudy when it is determined by the assessor that the application or homestudy contains a false statement knowingly made by the applicant(s) that is included in the application or written report of the homestudy. When a PCSA, PCPA, or PNA determines an application or homestudy has been falsified, the PCSA, PCPA or PNA shall follow the procedures outlined in rule 5101:2-33-13 of the Administrative Code.
- (I) No PCSA, PCPA or PNA shall release a homestudy to any other agency or to the probate court when it has been determined that the application or homestudy contains a false statement knowingly made by the applicant(s) that is included in the written report of the homestudy.
- (J) All homestudies conducted by PCSAs, PCPAs and PNAs shall be documented on the JFS 01673, or the JFS 01692 "Application for Adoption of a Foster Child" (rev. 12/2006), as applicable. Stepparent and international homestudies are exempt from this requirement. The JFS 01698 "Stepparent Homestudy Report" (rev. 12/2001) may be used when the court requests a PCSA, PCPA, or PNA to conduct a homestudy involving a stepparent adoption.
- (K) Prior to the end of the assessment process, applicants shall complete and sign the JFS 01673-A "Child Characteristics Checklist for Foster Care and/or Adoption" (rev. 08/2005) which indicates the acceptable characteristics of the child the applicant is requesting to adopt. Upon completion of the assessment process, the JFS 01673-A

shall be attached to the JFS 01673.

- (L) Upon completion of the homestudy, the PCSA, PCPA and PNA shall document the results of the homestudy on the JFS 01609 "Family Permanency Planning Data Summary" (02/2005).
- (M) The assessment required by paragraph (E) of this rule shall be commenced within thirty days of the date the agency receives the JFS 01691 "Application for Child Placement" (rev. 12/2006). The assessment shall be completed within one hundred eighty days of the date that the agency received the application. An agency that fails to commence a homestudy within thirty days of receiving the application or fails to complete a homestudy within one hundred eighty days shall document in the applicant's record the reason(s) the agency was unable to meet one or both of these requirements. Commencement of a homestudy means, at a minimum, scheduling an appointment to interview the applicant or assuring that the applicant has been informed of the necessary materials required for the assessor to complete the homestudy.
- (N) Homestudies completed by a PCSA, PCPA, or PNA shall be conducted by an adoption assessor who meets the requirements contained in rule 5101:2-1-01 of the Administrative Code and is employed by or under contract with one of the following:

For an applicant(s) who was not seeking a child with special needs, the time frames for completion of a written homestudy report, approval or denial of the adoptive homestudy, and written notification to the applicant(s) of the approval or denial shall be consistent with the agency's adoption and foster care policy prepared pursuant to rule 5101:2-48-05 of the Administrative Code.
