FISCAL ANALYSIS

13. Estimate the total amount by which *this proposed rule* would **increase /decrease** either **revenues /expenditures** for the agency during the current biennium (in dollars): Explain the net impact of the proposed changes to the budget of your agency/department.

This will decrease expenditures.

\$3,000,000

This program will decrease expenditures for the Medicaid program by diverting individuals from nursing facilities. By keeping individuals in a home and community based program and out of nursing facilities, the costs to Medicaid are reduced.

14. Identify the appropriation (by line item etc.) that authorizes each expenditure necessitated by the proposed rule:

ALI 525

15. Provide a summary of the estimated cost of compliance with the rule to all directly affected persons. When appropriate, please include the source for your information/estimated costs, e.g. industry, CFR, internal/agency:

This is a new Medicaid program so there are new services to be covered. This rule does not have a cost of compliance.

16. Does this rule have a fiscal effect on school districts, counties, townships, or municipal corporations? **No**

17. Does this rule deal with environmental protection or contain a component dealing with environmental protection as defined in R. C. 121.39? **No**
