**Reimbursement: private duty nursing services.**

- (A) Private duty nursing (PDN) services are delivered and billed as PDN visits in accordance with rules 5101:3-12-02, 5101:3-12-2.3 and 5101:3-12-04 of the Administrative Code. The services are provided by medicare certified home health agencies, "otherwise accredited agencies," or "non-agency nurses." PDN service rates are identified in appendix A to this rule.
- (B) The amount of reimbursement for a visit shall be the lesser of the provider's billed charge or the medicaid maximum rate. The medicaid maximum rate is determined by using a combination of the base rate and unit rate found in appendix A to this rule using the number of units of service (one unit equals fifteen minutes) that were provided during a visit in accordance with this chapter. A medicaid maximum rate for a private duty nursing visit is the amount of the base rate plus the unit rate amount for each unit over four units.
- (C) The amount of reimbursement for a visit shall be the lesser of the provider's billed charge or seventy-five per cent of the total medicaid maximum as specified in paragraph (B) of this rule when billing with the modifier HQ "group setting" for group visits.
- (D) The modifiers set forth in appendix B to this rule must be used to provide additional information in accordance with this chapter.
- (E) Reimbursement must be provided in accordance with paragraphs (A) to (D) of rule 5101:3-1-60 of the Administrative Code.
- (F) Providers of PDN will not be reimbursed for PDN services provided to a consumer that duplicate services already paid by medicaid or another funding source. For example, if the facility/home where a residential state supplemental recipient or medicaid consumer resides, such as an adult foster home, adult family home, adult group home, ICF/MR, residential care facility, community alternative home, or other facility is paid to provide nursing services, then PDN services are not reimbursable by medicaid.
- (G) Providers of PDN will be reimbursed for PDN services provided to a consumer if the provider has written documentation from a facility/home (i.e., an adult foster home, adult family home, adult group home, residential care facility, community alternative home, or other facility) stating that the facility/home is not responsible for providing the same or similar PDN services to the consumer.
- (H) PDN services provided to the consumer enrolled in the assisted living HCBS waiver in accordance with rule 5101:3-1-60 and Chapter 173-39 of the Administrative Code do not constitute a duplication of services.
