

Appendix A

ODJFS Code	ODMRDD Code	Service Description	Unit Rate
Z9999	TCM	Targeted Case Management	\$17.53

Cost of Doing Business Factors:

An adjustment for geography based on the county cost of doing business category shall be applied to the base rate for TCM services. The unit rate listed above represents the mid-point in the eight (8) regional categories and is equal to 1.045. The base value (equal to 1.00) of \$16.78 shall be multiplied by the cost of doing business factor associated with the county cost of doing business category as outlined below.

Category One: Adams, Athens, Belmont, Gallia, Guernsey, Harrison, Jefferson, Meigs, Monroe, Pike, Ross, Scioto, Tuscarawas, Vinton, and Washington.

CODB FACTOR: 1.01
