5. Statute(s) the rule, as filed, amplifies or implements: **3125.25**

6. State the reason(s) for proposing (i.e., why are you filing,) this rule:

This rule is being proposed for amendment because of the five-year rule review and to change from having child support enforcement agencies reporting "core" hours to having them report the actual agency hours for random moment sampling. The United States Department of Health and Human Services issued a directive for the change.

7. If the rule is an AMENDMENT, then summarize the changes and the content of the proposed rule; If the rule type is RESCISSION, NEW or NO CHANGE, then summarize the content of the rule:

This rule details how each child support enforcement agency will set up and submit the staff work hours to ODJFS, based upon the actual hours the agency is open; unless the agency is entering separate employee groups. If the agency has employees working flex time, the agency has the option of setting up separate employee groups. If an agency exercises this option, the separate employee groups are based on the actual hours each employee group is scheduled to work.

8. If the rule incorporates a text or other material by reference and the agency claims the incorporation by reference is exempt from compliance with sections 121.71 to 121.74 of the Revised Code because the text or other material is **generally available** to persons who reasonably can be expected to be affected by the rule, provide an explanation of how the text or other material is generally available to those persons:

This rule incorporates one or more references to another rule or rules of the Ohio Administrative Code (OAC). This question is not applicable to any incorporation by reference to another OAC because such reference is exempt from compliance with ORC 121.71 to 121.74 pursuant to ORC 121.76(A)(3).

9. If the rule incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material electronically, provide an explanation of why filing the text or other material electronically was infeasible:

Not applicable.

10. If the rule is being **rescinded** and incorporates a text or other material by reference, and it was **infeasible** for the agency to file the text or other material, provide an explanation of why filing the text or other material was infeasible:

11. If **revising** or **refiling** this rule, identify changes made from the previously filed version of this rule; if none, please state so:

NOTE: If the rule is not exempt at the time of final filing, two dates are required: the current review date plus a date not to exceed 5 years from the effective date for Amended rules or a date not to exceed 5 years from the review date for No Change rules.
