#### I. Rule Summary

1. Is this a five year rule review? No
  - A. What is the rule's five year review date?
2. Is this rule the result of recent legislation? No
3. What statute is this rule being promulgated under? 119.03
4. What statute(s) grant rule writing authority? 5119.36
5. What statute(s) does the rule implement or amplify? 5119.36
6. What are the reasons for proposing the rule?

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) completed a review and update of the OAC Chapters governing the certification of community mental health and addiction services providers in 2016. Since that time OhioMHAS has been monitoring the effectiveness of the rules and is proposing to amend the rules in this package in order to remove operational issues. Additionally, changes to the scope of the certified services program made by HB 111 are effective on September 29, 2019. HB 111 expands the requirement of certification to nearly all alcohol and drug services providers pursuant to ORC 5119.35.

- 7. Summarize the rule's content, and if this is an amended rule, also summarize the rule's changes.**

5122-27-03 outlines the procedure and minimum required information to create an individualized treatment plan (ITP) for each client. 5122-27-03 is being updated to allow for the acceptance of case management assessments from other providers and update the requirements for plans, including clarification on what was originally intended by terms such as frequency and duration. The sections pertaining to the completion, reviewing, and documenting plans have been rewritten to be easier to understand.

- 8. Does the rule incorporate material by reference? No**
- 9. If the rule incorporates material by reference and the agency claims the material is exempt pursuant to R.C. 121.71 to 121.76, please explain the basis for the exemption and how an individual can find the referenced material.**

*Not Applicable*

- 10. If revising or re-filing the rule, please indicate the changes made in the revised or re-filed version of the rule.**

Stakeholders observed that there was inconsistency in how addiction treatment case management plans of care were referred to in the rule, and that this could potentially cause issues with regards to operations and audits. The rule is being corrected and refiled to make the references consistent.

*09/16/2019 Revised to remove a blank paragraph.*

*09/09/2019 Revised to remove an errant paragraph heading that had no text.*
