II. Fiscal Analysis

11. Please estimate the increase / decrease in the agency's revenues or expenditures in the current biennium due to this rule.

This will increase expenditures.

\$127 million

House Bill 110 of the 134th General Assembly increased the Department's appropriations by approximately \$42 million in fiscal year 2022 and \$85 million in fiscal year 2023 to fund a 4% increase in the payment rates for adult day services and residential services provided to persons enrolled in Department-administered

Home and Community-Based Services (HCBS) waivers. The impact of the payment rate increases is not projected for each specific HCBS service because the impact will depend on the volume of each service to be used, which is unknown at this time.

12. What are the estimated costs of compliance for all persons and/or organizations directly affected by the rule?

The rule requires a person or agency seeking approval to provide Individual Employment Support to submit an application to the Department and have a Medicaid provider agreement with the Ohio Department of Medicaid. The rule requires a provider of services to maintain service documentation, complete reports, collect and submit data, report information, and ensure staff who provide Individual Employment Support complete training. These activities consume applicant/provider resources, the cost of which varies by applicant/provider and is unknown to the Department.

13. Does the rule increase local government costs? (If yes, you must complete an RSFA Part B). No

14. Does the rule regulate environmental protection? (If yes, you must complete an RSFA Part C). No

15. If the rule imposes a regulation fee, explain how the fee directly relates to your agency's cost in regulating the individual or business.

Not applicable.
