Appendix B to rule 5160-1-18

Modifiers used to identify patient location*	
U1	Patient home or place of residence at the time of service (includes homeless shelter, residential facility other than a nursing facility, temporary housing, etc)
U2	School
U3	Inpatient Hospital
U4	Outpatient hospital
U5	Nursing facility
U6	ICF/IID

*If the patient site is not one of these locations, a modifier identifying patient location is not required.
