\* For a service rendered by a supervised trainee under direct supervision as described in rule 5160-8-05 of the Administrative Code, the payment amount is the supervising practitioner rate.

\*\*Refers to CMS places of service codes found [https://www.cms.gov/Medicare/Coding/place-of-service-codes/Place\\_of\\_Service\\_Code\\_Set.html](https://www.cms.gov/Medicare/Coding/place-of-service-codes/Place_of_Service_Code_Set.html).

1. Licensed practitioner has the same meaning as "supervised practitioner" as described in rule 5160-8-05 of the Administrative Code.
2. Includes licensed psychologists and independent practitioners as described in OAC rule 5160-8-05.
3. Peer recovery supporter as described in rule 5122-29-15.1 of the Administrative Code.
4. Includes unlicensed practitioners of mental health services as described in rule 5160-27-01 of the Administrative Code; and "supervised trainees" as described in rule 5160-8-05 of the Administrative Code under general supervision.
