7. What are the reasons for proposing the rule?

The nursing facility-based level of care rules are being proposed for amendment in accordance with the five-year rule review process.

8. Summarize the rule's content, and if this is an amended rule, also summarize the rule's changes.

OAC Rule 5160-3-08, "Criteria for the nursing facility-based level of care" delineates the criteria for meeting the intermediate and skilled levels of care. Proposed changes to the rule include:

- Adding needs assessment criterion to allow individuals with indications of a developmental disability to be assessed for an intermediate LOC.
- Adding clarifying language to address individuals with DD indications who are currently enrolled on HCBS waivers.
- Removing sensitive language references and replacing them with more appropriate language throughout rule.

- 9. Does the rule incorporate material by reference? Yes**
- 10. If the rule incorporates material by reference and the agency claims the material is exempt pursuant to R.C. 121.75, please explain the basis for the exemption and how an individual can find the referenced material.**

This rule incorporates one or more references to another rule or rules of the Administrative Code. This question is not applicable to any incorporation by reference to another Administrative Code rule because such reference is exempt from compliance with RC 121.71 to 121.74 pursuant to RC 121.75(A)(1)(d).

- 11. If revising or re-filing the rule, please indicate the changes made in the revised or re-filed version of the rule.**
