Alternate electronic visit verification (EVV) vendor.

- (A) An alternate EVV vendor may be used for EVV data collection.
- (B) The state is not responsible for any costs related to the development, approval, testing, and utilization of a qualifying alternate EVV vendor.
- (C) To use an alternate EVV vendor, agency providers should:
- (1) Notify the Ohio department of medicaid (ODM) or its contracted entity of the intent to seek ODM approval to utilize the selected alternate EVV vendor; and
 - (2) Complete alternate system aggregator training.
- (D) The agency provider is responsible to ensure:
- (1) The visit data in the aggregator is correct and reflects the visit as it occurred; and
 - (2) Billing is supported by visit data.
- (E) System, technical, and business specifications to become an alternate EVV vendor are published on the ODM website <https://medicaid.ohio.gov/resources-for-providers/special-programs-and-initiatives/electronic-visit-verification/alternate-system/alternate-system>. Failure to meet the specifications at any time could result in Ohio certification revocation.
- (F) A financial management service vendor contracted with ODM, the Ohio department of aging, and the Ohio department of developmental disabilities will obtain and maintain the alternate EVV vendor certifications.
- (G) ODM may request re-approval of any alternate EVV system at any time.
