

5537-3-06

**Engine brake.**

- (A) Every motor vehicle and motorcycle with an internal combustion engine shall at all times be equipped with a muffler which is in good working order and in constant operation to prevent excessive or unusual noise, and no person shall use a muffler cutout, by-pass, or similar device upon a motor vehicle on the turnpike. Every motor vehicle and motorcycle muffler shall be equipped with baffle plates.
- (B) Except in cases of emergency or extreme weather conditions, no person may operate an unmuffled engine brake on the turnpike.
