8. Summarize the rule's content, and if this is an amended rule, also summarize the rule's changes.

This rule currently explains that consolidated elected taxpayer groups are formed by election and combined taxpayer groups do not require an election. The rule requires a combined taxpayer group to register for the commercial activity tax within thirty days of having taxable gross receipts of one hundred fifty thousand dollars or more.

Changes are proposed to update this rule in response to the changes made to the commercial activity tax by the legislature in Am. Sub. H.B. 33. The amendments require the original rule to be rescinded and replaced.

The changes are proposed to advise taxpayers how to proceed in view of the elimination of the annual minimum tax and the increased exclusion amount beginning in 2024. The proposed changes include that a consolidated elected taxpayer may cancel its account within the binding eight-calendar quarter election period if its taxable gross receipts fall below the increased exclusion; that a taxpayer whose taxable gross receipts will not exceed the exclusion amount does not need to register for the commercial activity tax; and that a taxpayer whose taxable gross receipts do exceed the exclusion amount must register for the commercial activity tax within thirty days.
