R.C. 5739.03 requires all vendors to collect and remit sales tax on all taxable sales unless the vendor obtains from the consumer a fully completed exemption certificate. A vendor that obtains a fully completed exemption certificate is relieved from the liability to collect sales tax on the transactions covered by the exemption certificate. This rule sets forth the information that a consumer must provide on an exemption certificate. It also advises the vendor and consumer that exemption certificate forms are available on the Department's website.

This rule was revised to delete provisions of the rule that duplicate Ohio Rev. Code 5739.03. Since more than 50% of the rule has changed, the Legislative Service Commission requires rescission of the existing rule and adoption of a revised rule with the new language.
