FISCAL ANALYSIS

13. Estimate the total amount by which *this proposed rule* would **increase / decrease** either **revenues / expenditures** for the agency during the current biennium (in dollars): Explain the net impact of the proposed changes to the budget of your agency/department.

This will have no impact on revenues or expenditures.

0.0

No fiscal impact on revenues or expenditures.

14. Identify the appropriation (by line item etc.) that authorizes each expenditure necessitated by the proposed rule:

Not applicable.

15. Provide a summary of the estimated cost of compliance with the rule to all directly affected persons. When appropriate, please include the source for your information/estimated costs, e.g. industry, CFR, internal/agency:

Quantifying the impact on businesses is difficult at this time.. It is not generally known how many businesses currently utilize DWA that will not meet one of the statute's exemptions. Once the registration period is over, ODA should have a better estimation as to the number of businesses that will be impacted. However, the timing imposed by statute requires the Department to move forward with these rules before the end of the registration period.

Even after the registration period ends, quantifying the exact impact will remain difficult due to the variability in current enclosures and the amount of work that may be necessary to bring each one up to the required standards. Additionally, the number and type of animals owned will make estimates even more unreliable. The costs to minimally improve one large cat enclosure will vary greatly from the costs of building almost entirely new enclosures for multiple reptiles and mammals.

16. Does this rule have a fiscal effect on school districts, counties, townships, or municipal corporations? **No**

17. Does this rule deal with environmental protection or contain a component dealing with environmental protection as defined in R. C. 121.39? **No**

S.B. 2 (129th General Assembly) Questions

18. Has this rule been filed with the Common Sense Initiative Office pursuant to R.C. 121.82? **Yes**

19. Specific to this rule, answer the following:

A.) Does this rule require a license, permit, or any other prior authorization to engage in or operate a line of business? **No**

Registration of certain DWA is a statutory requirement. This rule sets standards for the care and housing of those DWA, but does not in itself require registration.

B.) Does this rule impose a criminal penalty, a civil penalty, or another sanction, or create a cause of action, for failure to comply with its terms? **Yes**

Civil penalties may be imposed, as set by rule, if registered DWA owners do not comply.

C.) Does this rule require specific expenditures or the report of information as a condition of compliance? **No**

Registered DWA owners must comply with the minimum standards in the rule, but expenditures will vary upon the housing and care already being provided to the animals. No specific expenditure is being required.
