¹ ODA chooses to offer the public a hearing for these rules, although § 111.15 does not require doing so.

To each of the rules in both rule packages, ODA proposes to either (1) amend or (2) rescind, then replace with a new rule. In doing so, ODA is only proposing to make non-substantive amendments, such as updating terminology, updating cross-references to other rules, clarifying requirements, and eliminating processes without changing requirements. For details on specific amendments, please review each rule summary and fiscal analysis (RSFA) in the Register of Ohio.

The rules do not regulate any Ohio business and are, therefore, no subject to the Common-Sense Initiative.

Any person may participate in the public hearing. To submit written testimony to ODA regarding the rule projects in lieu of presenting written testimony in person, please email the written testimony to ODA's policy development manager, Tom Simmons, at tsimmons@age.ohio.gov before Wednesday, September 19, 2018.

Participants may find area parking at street meters and area parking garages. The parking meters on Chestnut St. accept debit and credit cards. The [Chestnut Street Garage](#) at 44 E. Chestnut St. is across the street from 35 E. Chestnut St.
