

**Public Notice – Request for Comment****Draft Amended Ohio Administrative Code (OAC) Rule 3745-21-09  
“Control of emissions of volatile organic compounds from stationary  
sources and perchloroethylene from dry cleaning facilities”**

Please note that the Ohio Environmental Protection Agency, Division of Air Pollution Control has reviewed Ohio Administrative Code (OAC) Rule 3745-21-09, “Control of emissions of volatile organic compounds from stationary sources and perchloroethylene from dry cleaning facilities” and is recommending changes.

Ohio EPA has prepared draft rule language for two changes to the rule. Ohio EPA is allowing a change in paragraph (C) to increase the allowable VOC content for automobile and light-duty truck coating in lines coating less than 35 trucks per day, and an exemption in paragraph (DDD) for New Service Stations from the requirements to install Stage II vapor recovery systems.

Pursuant to Section 121.39 of the Ohio Revised Code, DAPC was required to consult with interested parties affected by the rules before the division formally proposes them. On January 14, 2013, these rules went out for an 11 day review by interested parties.

Pursuant to Section 119.03 of the Ohio Revised Code, a public hearing on these rule changes will be conducted on Tuesday, March 19, 2013 at 10:30 AM at Ohio EPA Central office, 50 West Town Street, Suite 700, Columbus, Ohio 43215. All visitors to Ohio EPA must register at the Security desk in the lobby upon arrival. Please bring photo identification (such as a valid driver's license). For security reasons, visitors are required to wear their badge at all times while in the building. Please arrive early to complete these procedures.

All interested persons are entitled to attend or be represented at the hearing and give written or oral comments on these rule changes. All oral comments presented at the hearing, and all written statements submitted at the hearing or by the close of business on March 19, 2013 will be considered by Ohio EPA prior to final action on this rule. Written statements submitted after March 19, 2013 may be considered as time and circumstances permit, but will not be part of the official record of the hearing.

These rules are available on DAPC Regulations Web page for electronic downloading. See the information under the “Proposed Rules” tab at: <http://epa.ohio.gov/dapc/DAPCrules.aspx>.
