Pursuant to Chapter 119. and sections 5164.02 and 5164.95 of the Revised Code, the Director of the Ohio Department of Medicaid (ODM) gives notice of ODM's intent to consider the adoption, amendment, or rescission of the rule identified below and of a public hearing thereon.

Ohio Administrative Code rule 5160-1-18, entitled "Telehealth" is being proposed for amendment by ODM. This rule provides definitional information, eligible rendering and billing providers, covered telehealth services, provider responsibilities, and key guidelines for submission and payment of telehealth claims. The amendments will expand covered telehealth services to include additional behavioral health services, and new services to expand pregnancy education and diabetes management. Telehealth services are also expanded to include any other services specifically authorized in rules promulgated by ODM. The office or other outpatient visits for the evaluation and management of new patients, straightforward medical decision making (10 min) service has been removed from the list of eligible telehealth services per guidance by the American Medical Association. Intensive Home-Based Treatment has also been removed from the list of eligible telehealth services as it will be changing to an OhioRISE only service. Appendix A has been updated with procedure codes that have been added or removed from eligible telehealth services.

Pursuant to Section three of Sub. H.B. 51 (134th General Assembly), ODM will hold the public hearing for this rule package via teleconference. The phone number, PIN (access code), link for teleconference attendance, and the date and time for this hearing are listed at the top of this Notice. All interested parties are invited to participate in the public hearing. Oral and written testimony will be accepted for this hearing and will be given the same consideration. Those who want to give oral testimony are asked to send an email to Rules@Medicaid.Ohio.gov no later than one hour before the hearing to be added to the witness list. There will be a final call at the end of the hearing for those who wish to offer oral testimony but are not on the witness list.

Written comments submitted via fax, United States Postal Service, and email that are received or postmarked no later than the day of the hearing will be accepted as testimony and become part of the hearing record. All testimony will become public record; therefore, ODM asks that protected health information be excluded unless the information belongs to the person submitting the

testimony or to a person for which the submitter is a legal guardian. Written testimony sent via email is highly recommended. All testimony received via email will receive a confirmation of receipt.

A copy of the proposed rule is available, without charge, to any person at the address listed below. The rule is also available on the internet at <http://www.registerofohio.state.oh.us/>. Requests for a copy of the proposed rule or comments on the rule should be submitted by mail to the Ohio Department of Medicaid, Office of Legal Counsel, 50 W.
