Pursuant to Chapter 119. and sections 5167.02 and 5164.02 of the Revised Code, the Director of the Ohio Department of Medicaid (ODM) gives notice of ODM's intent to consider the adoption as new of rule 5160-27-14 and amendment of rules 5160-43-01, 5160-43-03, 5160-43-04, 5160-43-05, 5160-43-08, and 5160-43-09 identified below and of a public hearing thereon.

Rule 5160-27-14 "Behavioral health peer support service."

Rule 5160-43-01 "Specialized recovery services program definitions."

Rule 5160-43-03 "Specialized recovery services program individual rights and responsibilities."

Rule 5160-43-04 "Specialized recovery services program covered services and provider requirements."

Rule 5160-43-05 "Specialized recovery services program provider conditions of participation."

Rule 5160-43-08 "Specialized recovery services billing procedures and payment rates for recovery management."

Rule 5160-43-09 "Specialized recovery services program criminal records checks for providers."

The new rule that will be proposed addresses a newly covered Medicaid service which includes the provision of peer support service for both mental health and substance use disorder conditions. The rule states the coverage, limitation, and reimbursement policies as well as the eligible provider requirements.

Four rules that will be proposed for amendment will remove references to peer support service as it is currently a component of the specialized recovery services program. Peer support service needs to be removed from the specialized recovery services program as it will become, upon the effective date of these rules, a general Medicaid state plan service. Two rules are being proposed for amendment to update Code of Federal Regulations citations.

ODM will hold the public hearing for this rule package via teleconference and in-person. ODM will not require masks for individuals attending in person. However, visitors are welcome to wear masks if that is their preference. The date and time for the public hearing are listed at the top of this Notice as well as the phone number, PIN (access code), and link for teleconference attendance, and location for in-person attendance.

All interested parties are invited to participate in the public hearing. Both oral and written testimony will be accepted for this hearing and will be given the same consideration. Persons who want to give oral testimony are asked to send a message by e-mail to

Rules@medicaid.ohio.gov no later than one hour before the hearing to be added to the witness list. Those attending in person can be added to the witness list at the hearing. There will be a final call at the end of the hearing for persons who wish to offer oral testimony but are not yet on the witness list.

Written comments submitted in-person, by e-mail, postal mail, or fax that are received or postmarked no later than the day of the hearing will be accepted as testimony and will become part of the hearing record. All testimony will become public record; therefore, ODM asks that protected health information (PHI) be excluded unless the information belongs to the person submitting the testimony or to a person for which the submitter is a legal guardian. Written testimony sent by e-mail is highly recommended. All persons who submit testimony by e-mail will be sent a confirmation of receipt.

A copy of the proposed rules is available, without charge, to any person at the address listed below. The rules are also available on the internet at <http://www.registerofohio.state.oh.us/>. Requests for a copy of the proposed rules or comments on the rules should be submitted by mail to the Ohio Department of Medicaid, Office of Legal Counsel, 50 W.
