Pursuant to Chapter 119. of the Revised Code, the Director of the Ohio Department of Medicaid (ODM) gives notice of ODM's intent to consider the amendment of the rule identified below and of a public hearing thereon.

5160-43-08: Specialized Recovery Services Program billing procedures and payment rates for recovery management. The Specialized Recovery Services rule governs the criteria for billing and receipt of payment from the Ohio Department of Medicaid for Recovery Management Services billed using the T10116 billing code. The amendment will allow alignment with similar Home and Community-Based Service programs billing formats. The proposed changes are as follows:

- 5160-43-08 (A)(2) – The maximum number of reimbursable 15-minute units of service billable per month will be 8.5 units.
- 5160-43-08 (C) Column 3, unit rate – The 15-minute unit rate reimbursed is being adjusted from \$19 per unit to \$27.54 per unit reimbursement.

ODM will hold the public hearing for this rule package via teleconference and in person. ODM will not require masks for individuals attending in person. However, visitors are welcome to wear masks if that is their preference. The date and time for the public hearing are listed at the top of this Notice as well as the phone number, PIN (access code), and link for teleconference attendance, and location for in-person attendance.

All interested parties are invited to participate in the public hearing. Both oral and written testimony will be accepted for this hearing and will be given the same consideration. Persons who want to give oral testimony are asked to send a message by e-mail to Rules@medicaid.ohio.gov no later than one hour before the hearing to be added to the witness list. Those attending in person can be added to the witness list at the hearing. There will be a final call at the end of the hearing for persons who wish to offer oral testimony but are not yet on the witness list.

Written comments submitted in-person, by e-mail, postal mail, or fax that are received or postmarked no later than the day of the hearing will be accepted as testimony and will become part of the hearing record. All testimony will become public record; therefore, ODM asks that

protected health information (PHI) be excluded unless the information belongs to the person submitting the testimony or to a person for which the submitter is a legal guardian. Written testimony sent by e-mail is highly recommended. All persons who submit testimony by e-mail will be sent a confirmation of receipt.

A copy of the proposed rule is available, without charge, to any person at the address listed below. The rule is also available on the internet at <http://www.registerofohio.state.oh.us/>. Requests for a copy of the proposed rule or comments on the rule should be submitted by mail to the Ohio Department of Medicaid, Office of Legal Counsel, 50 W.
