Incorporated Comments into Rule(s)

Indicate how comments received during the hearing process were incorporated into the rule(s). If no comments were incorporated, explain why not.

No comments were incorporated into rule as a result of the submission of written testimony submitted prior to the public hearing.

ODJFS follows the Ohio Revised Code (ORC) in determining who may sign the child and employee medical statements required for licensed child care centers, Type A Homes and Type B Homes. ODJFS allows physicians, as defined in Section 4730. ORC to conduct the physical examinations and is required by Section 5104.0110 ORC to also allow the following individuals to conduct the physical examinations: a physician assistant, a clinical nurse specialist, a certified nurse practitioner, or a certified nurse-midwife.

Further, regarding form JFS 01217 "Request for Administration of Medication for Child Care," due to the fact that this form is used for prescription medications, ODJFS accepts signatures only from those who are authorized by the Ohio Revised Code to prescribe medication.
