## Hearing Summary Report

### **Consolidated Summary of Comments Received**

Please review all comments received and complete a consolidated summary paragraph of the comments and indicate the rule number(s).

No comments were received for 4755-29-01.

For 4755-23-08, Continuing Education, feedback was very mixed. Several commenters expressed concern that volunteer work is not appropriate to be counted as continuing education. Several others were supportive. This is a legislative mandate, so the Board will move forward with implementation. Several commenters expressed support for the addition of a jurisprudence assessment module to be completed when renewing a license, noting that other states require something similar. Other commenters are opposed to any fee for such as exam. Some were totally opposed, viewing it as an unnecessary burden. The Board feels strongly that a jurisprudence module would allow the Board to target certain disciplinary problems that are cropping up in the field and provide some education on how they can be avoided.
