Consolidated Summary of Comments Received

Please review all comments received and complete a consolidated summary paragraph of the comments and indicate the rule number(s).

Rule 4731-18-01 is being rescinded and replaced with 4731-25-08. OAPA commented that the use of the term “allied health care provider” does not include physician assistants and nurses in the medical community, and the terms “physician assistant” and “nurse” should be added. Also, OAPA suggested the use of terms “intra and perioperative” be used instead of the term “postoperative.”
