START RECORDING

Hello and welcome to Ohio EPA's virtual public hearing regarding Division of Environmental Response and Revitalization's proposed hazardous waste rules. My name is Mary McCarron and I'm hosting today's public hearing. With me online from Ohio EPA are Kit Arthur and Mandi Payton. I'd like to note that we are recording this hearing. We will save all comments submitted during the hearing.

Before I start the hearing, I have a couple of tips about the technical end of today's hearing:

- 1) You should see a floating control panel on your screen in the WebEx app. During the event, the sound may fade in and out due to your internet connection. If you experience problems with the sound during the hearing, either wait a moment or two to see if it is restored or, using the icon on the floating control panel, close or disconnect from the audio portion of the presentation, then reconnect to restore the audio.
- 2) Please use the chat feature to report or receive assistance with technical issues.
- 3) Please also use the chat feature to submit comments during the hearing.
