Consolidated Summary of Comments Received

Please review all comments received and complete a consolidated summary paragraph of the comments and indicate the rule number(s).

The department received a comment from Keith Lake, America's health insurance plans (AHIP). The comment supported the concept of a one-time special enrollment period that would apply to Medicare-eligible individuals who will lose Medicaid eligibility following the expiration of the COVID public health emergency. However, AHIP raised concern that proposal establishes a permanent guarantee issue opportunity.

Gary Albert submitted a comment of support for the proposed amendments.
