DDAGW PWS License Proposed Rules

June 5, 2024

Hello and welcome to Ohio EPA's public hearing regarding the Division of Drinking and Ground Waters Rules. My name is Mary McCarron and I'm hosting today's public hearing. With me today from Ohio EPA are Brook McLoughlin, Tya Darden, and Mandi Payton. In a moment, we will move to the public hearing where we will take official comments on the proposed rules.

I'd like to note that we are recording this hearing. We will save all comments submitted during the hearing.

Before we get started, I'd like to go over a few items to help our online participants navigate the GoTo platform.

On this slide here you will see an example screenshot of your Attendee interface. You should see something that looks like this on your computer desktop on the right-hand side of your screen. For this public hearing, you are listening in using your computer audio. If you are having sound issues, try refreshing your browser. If that doesn't work, try logging off and logging back in.

Please submit public comments by clicking on the question mark icon and typing them into the Questions pane on your attendee interface. All comments submitted online will be read aloud for the whole audience to hear.

(You can also click on the document icon to view included handouts.)

For those attending in person, you may submit your testimony verbally by moving close to the broadcast tablet, stating your name, and proceeding with your testimony when we call on you.

We will now begin the hearing.

PUBLIC HEARING SPEECH

Thank you for taking time to attend this hearing before Ohio EPA. The purpose of the hearing today is to obtain comments from any interested person regarding Ohio EPA's proposed rule.

Ohio EPA proposes to amend the following rules of the Ohio Administrative Code:

- 3745-84-01: Definitions.
- 3745-84-02: Application for a license to operate or maintain a public water system.
- 3745-84-03: Expiration and renewal of license to operate or maintain a public water system.
- 3745-84-04: Format and display of license to operate or maintain a public water system.
- 3745-84-05: Fees for operating or maintaining a public water system.
- 3745-84-06: Conditioning, denial, suspension and revocation of a license to operate or maintain a public water system.

This rule addresses Public Water System License regulations.

The purpose of this rule-making is to add clarification to the definition of "service connection", update methods of contact, remove color coding language, and allow shorter suspensions for corrections of violations that require less time to complete.

These rules have been filed with the Joint Committee on Agency Rule Review. Copies of the rule are available for public review on our website and in the handouts section in GoTo.

All interested persons are entitled to attend or be represented, and to present written comments concerning the proposed rule. All written comments received as part of the official record will be considered by the director of Ohio EPA.

To be included in the official record, written comments must be received by Ohio EPA by the close of business, today, June 5, 2024. These comments may be typed into the GoTo platform today, spoken in person, or emailed to

ddagw_rulecomments@epa.ohio.gov. All emailed comments submitted for the record receive the same consideration as typed comments given today.

Written statements submitted after today may be considered as time and circumstances permit but will not be part of the official record of the hearing.

This hearing allows the public to provide input. Therefore, we will not be able to answer questions today.

YOU MAY NOW SUBMIT COMMENTS. I will read aloud any comments we receive in the GoTo platform. If you are attending in-person and would like to submit testimony, please raise your hand and wait to be called on. I will keep the GoTo platform open until XXXXX to provide time for participants to type in comments.

After the hearing closes, we will accept written comments through 5:00 p.m. today. You can send those comments to the email address on the screen.

Thank you for your comments, cooperation, and participation in Ohio EPA's decision-making process. The time is now _____ and this hearing is concluded.
