Incorporated Comments into Rule(s)

Indicate how comments received during the hearing process were incorporated into the rule(s). If no comments were incorporated, explain why not.

The comment was not incorporated into rule 5160-31-03. To list PASSPORT waiver services that would be excluded from the individual cost limit would require modification to the PASSPORT 1915(c) home and community-based services waiver program application, CMS approval, and would also impact programmatic budgets for the State. ODM remains committed to continued efforts to align the nursing facility-based level of care waiver programs, PASSPORT and Ohio Home Care Waiver, as much as feasible.
