Hearing Summary Report

Consolidated Summary of Comments Received

Please review all comments received and complete a consolidated summary paragraph of the comments and indicate the rule number(s).

Diane Lee commented on rules 3701-62-01 through 3701-62-14. She did not point to a particular rule. Her comments were that the form and process are confusing in Ohio. She essentially wants to have more options for more clarity.

Charles Miller commented on 3701-22-33(C). He asked for a terminology change from “Heart-lung” in section (1) to multi-organ.

Brian Rubin commented on 3701-3-02 and 3701-3-04. He also asked for basic terminology change. In 3701-3-02 he asked for more clarity rather than the general “carbapenemase-producing organisms”. In 3701-3-04 he was agreeing with the changes that were being made to the rule.

Hearing Summary Report

Incorporated Comments into Rule(s)

Indicate how comments received during the hearing process were incorporated into the rule(s).
If no comments were incorporated, explain why not.

No comments were incorporated into the rules.

For 3701-62 the Ohio Revised Code does not allow for the types of changes requested.

For 3701-22-33 the wording follows the same wording in federal guidelines.

For 3701-3-02 the wording follows the same wording in federal guidelines.
