

**MEMORANDUM**

TO: Mindy Franks, Ohio State Dental Board

FROM: Sophia Papadimos, Regulatory Policy Advocate

DATE: April 15, 2016

RE: **CSI Review – 2015 Chapter Seven (OAC 4715-7-03)**

On behalf of Lt. Governor Mary Taylor, and pursuant to the authority granted to the Common Sense Initiative (CSI) Office under Ohio Revised Code (ORC) section 107.54, the CSI Office has reviewed the abovementioned administrative rule package and associated Business Impact Analysis (BIA). This memo represents the CSI Office's comments to the Agency as provided for in ORC 107.54.

Analysis

The proposed rule package consists of one no-change rule being reviewed by the Ohio State Dental Board pursuant to the five-year review requirement in statute. The rule package was submitted to the CSI Office, along with 18 other proposed Dental Board packages, on December 8, 2015 and the comment period was held open through January 4, 2016. No comments were received during this time.

The proposed rule outlines the guidelines for display of limited resident's licenses, limited teaching licenses, and limited continuing education licenses. While the BIA does not identify any adverse impacts, the requirement to keep the license on file at the practicing location and display the license in a conspicuous location is an impact. However, no comments were received in opposition to the proposed rule. Therefore, after reviewing the proposed rule and BIA, the CSI Office has determined that the purpose of the rule is justified.

Recommendations

For the reasons discussed above, the CSI Office does not have any recommendations for this rule package.

Conclusion

Based on the above comments, the CSI Office concludes that the Ohio State Dental Board should proceed with the formal filing of this rule package with the Joint Committee on Agency Rule Review.
