Re: Memorandum of Response to CSI Review – MICS, Table Games, & Advertising Rule Package

DELIVERED VIA ELECTRONIC MAIL

On February 24, 2012, the Ohio Casino Control Commission (“Commission”) received the Common Sense Initiative Office’s Recommendation Memorandum (“CSI Recommendation”) for the MICS, Table Games, & Advertising Rule Package. The Commission appreciates the quick-turn around of this rule package.

The CSI Recommendation stated that “After clarification of the above issues from the Commission, we believe this rule package satisfactorily meets the standards espoused by the Common Sense Initiative. Based on the above comments, it is recommended that the Commission proceed with the formal filing of this rule package with the Joint Committee on Agency Rule Review.”

At this time, the Commission plans to move forward with the original filing of this rule package with the Joint Committee on Agency Rule Review.
