RE: Memorandum of Response to CSI Review—Risk-Driven Community Corrections Admissions Criteria

On April 18, 2012, the Ohio Department of Rehabilitation and Correction received the Recommendations for the Risk-Driven Community Corrections Admissions Criteria Package. The Department appreciates the assistance you provided the Department throughout the review process.

The CSI memorandum stated: “[T]his office [CSI] does not have any recommendations regarding this draft rule package. . . . [T]he CSI Office concludes that the Department should proceed with filing this rule package with JCARR.”

At this time, it is the Department’s plan to move forward with the filing of this rule package with the Joint Committee on Agency Rule Review.
