Re: Memorandum of Response to CSI Review – Gaming Equipment, Internal Controls, and Table Games

DELIVERED VIA ELECTRONIC MAIL

On September 13, 2012, the Ohio Casino Control Commission (“Commission”) received the Common Sense Initiative Office’s Recommendation Memorandum (“CSI Recommendation”) for the Gaming Equipment, Internal Controls, and Table Games Rule Package. The Commission appreciated the quick-turn around of this rule package.

The CSI Conclusion stated “based on its review of the proposed rule package, the CSI Office recommends the Commission should proceed in filing the proposed rules with JCARR.”

At this time, the Commission plans to move forward with the original filing of this rule package with the Joint Committee on Agency Rule Review.
