Re: Memorandum of Response to CSI Review – Passive Investors, License Credentials and Advertising

**DELIVERED VIA ELECTRONIC MAIL**

On January 29, 2013, the Ohio Casino Control Commission (“Commission”) received the Common Sense Initiative Office’s Recommendation Memorandum (“CSI Recommendation”) for the Passive Investors, License Credentials and Advertising rule package. The Commission appreciated the quick-turn around for this rule package.

The CSI Conclusion stated “based on the above comments, the CSI Office concludes that the Commission should proceed with the formal filing of this rule package with the Joint Committee on Agency Rule Review.”

At this time, the Commission plans to move forward with the original filing of this rule package with the Joint Committee on Agency Rule Review.
