DATE: October 16, 2014

Thank you for your review of proposed rules 4731-11-01 and 4731-11-12, Ohio Administrative Code. Rule 4731-11-01, which contains definitions for rules in Chapter 4731-11, Ohio Administrative Code, is proposed to be amended. Rule 4731-11-12 is a new rule that addresses office-based treatment of opioid addiction using federally-approved products.

Based upon your recommendation, on October 8, 2014, the State Medical Board of Ohio voted to submit the rules for rule promulgation by filing with the Joint Committee on Agency Rule Review.
