RE: O.A.C. Rules 3701-63-01 and -02 – Appeal of Denial/Revocation of Long-Term Care Facility Certification

DATE: August 29, 2016

We appreciate CSI's approval to file rules 3701-63-01 and -02 with JCARR. These rules pertain to the Appeal of Denial or Revocation of Long-Term Care Facility Certification. ODH reviewed the rules to meet five year review requirements and made minor upkeep amendments.

No comments were received from the public during the thirty-day comment period; and, at its August 19, 2016 meeting, the Ohio Public Health Advisory Board voted to recommend the Director's approval for filing.
