Re: Response to February 13, 2017 CSI review – Fees for Service (OAC 3304-2-52 and Appendix A)

On February 13, 2017, Opportunities for Ohioans with Disabilities (OOD) received a Memorandum from the Common Sense Initiative (CSI). The Memorandum contained CSI's comments and recommendations on the rule package in which OOD seeks to amend OAC 3304-2-52. OOD appreciates and agrees with both the analysis and recommendation of the CSI memorandum. OOD will follow the recommendations of CSI and file the proposed changes with the Joint Committee on Agency Rule Review (JCARR).
