On February 24, 2017, the Ohio Casino Control Commission (“Commission”) received the Common Sense Initiative Office’s Recommendation Memorandum (“CSI Recommendation”) for the Skill-Based Amusement Machine key employee licensing, duty to update, and affirmative duties rule package. The Commission is grateful for the response from the CSI Office.

The CSI Recommendation stated that “the CSI Office does not have any recommendations for this rule package... [T]he CSI Office concludes that the Ohio Casino Control Commission should proceed with the formal filing of this rule package with the Joint Committee on Agency Rule Review.”

At this time, the Commission plans to move forward with the original filing of this rule package with the Joint Committee on Agency Rule Review.
