Thank you for your recent review of the Ohio Administrative Code rule in the referenced ERF package. Because you had no recommendations regarding this rule package, the Ohio Department of Medicaid will continue with the process of filing it with the Joint Committee on Agency Rule Review (JCARR).

Update:

Rule 5160-15-14 now incorporates the following change:

1. Paragraph (B)(4), which requires a County Department of Job and Family Services (CDJFS) to confirm the validity of each Medicaid provider number and NPI, has been removed because not every CDJFS can meet this requirement. The change has no impact on businesses.
